"Economic Abstracts" contains only a selection of the vast number of abstracts on filing cards issued by the Library of the Economic Information Service, (Ministry of Economic Affairs), i.e. on literature – especially articles in important periodicals – with a more permanent value.

The Library of the Economic Information Service also publishes a fortnightly abstract review, mainly in Dutch, on medium and small business (*f* 24,– per year) and a number of weekly abstracts reviews in Dutch on several branches of industry. On June 1, 1971, these reviews covered the shoe and leatherware, food, clothing, paint, furniture and furnishing products (*f* 60,– per year each); engineering industry, chemical industry, packaging (*f* 120,– per year each).

The filing cards can be consulted in the Library of the Economic Information Service, 151 Bezuidenhoutseweg, The Hague
